Independent Auditor's Report

To the Members of Intrepid Finance and Leasing Private Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Intrepid Finance and Leasing Private Limited ("the Company"), which comprise the balance sheet as at 31 March 2016, the statement of profit and loss, the cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Independent Auditor's Report (Continued) Intrepid Finance and Leasing Private Limited

Auditor's Responsibility (Continued)

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said Order.

Annexure B to the Independent Auditor's Report – 31 March 2016

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Intrepid Finance and Leasing Private Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Annexure B to the Independent Auditor's Report – 31 March 2016 (Continued)

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the financial statements

for the year ended 31 March 2016

(Currency: Indian Rupees)

1. Background

Intrepid Finance And Leasing Private Limited ('the Company') was incorporated on 8 March 1994. The Company is a Non-Banking Financial Company – Non Deposit Accepting or Holding Company (NBFC-ND) registered with Reserve Bank of India (RBI). It is engaged in providing finance to poor women in rural areas of India who are organized as Joint Liability Groups ('JLG'). The Company has been allotted NBFC-Micro Finance Institution License with effect from 9th March 2015.

2. Significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1 Basis of preparation of financial statements

These financial statements have been prepared and presented on the accrual basis of accounting and under the historical cost convention except interest on non performing loans which are accounted on realisation basis. The Financial Statements comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the relevant provisions of the Companies Act, 2013, the provisions of the RBI as applicable to a NBFC-MFI and NBFC-ND and the accounting principles generally accepted in India, to the extent applicable.

2.2 Use of estimates

The preparation of the financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amount of assets, liabilities, incomes, expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.3 Current – non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is expected to be realised within 12 months after the reporting date; or

for the year ended 31March 2016

(Currency: Indian Rupees)

2. Significant accounting policies (Continued)

2.3 Current – non-current classification (Continued)

(d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the Company's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within 12 months after the reporting date; or
- (d) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

2.4 Revenue recognition

- i. Interest income on loans given is recognised at the contractual rate of interest, on an accrual basis, except in the case of non-performing assets (NPA) where it is recognised upon realisation, as per prudential norms of the RBI.
- ii. Interest income on deposits with banks is recognized on a time proportion accrual basis taking into account the amount outstanding and the rate applicable.
- iii. Loan processing fees are recognised on an upfront basis.
- iv. Service charges are recognised on accrual basis in accordance with the service agreement, if any with the customer.

2.5 Classification of Loans to Joint Liability Groups

All loan exposures are classified into standard assets and non performing assets as per below:

- i. Standard assets: The asset in respect of which, no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business; and
- ii. Nonperforming assets: Asset for which, interest/principal payment has remained overdue for a period of 90 days or more.

2.5 Classification of Loans to Joint Liability Groups (Continued)

Provision for loan losses

Loans to Joint Liability Groups are provided for as per the management's estimates, subject to the minimum provision required, as prescribed under the RBI circular No. DNBR. (PD)CC.No. 047/03.10.119/2015-16 dated 1 July 2015, which is set out below:

The aggregate loan provision is maintained at the higher of a) 1% of the outstanding loan portfolio or b) 50% of the aggregate loan installments which are overdue for more than 90 days and less than 180 days and 100% of the aggregate loan installments which are overdue for 180 days or more.

All other loans and advances are provided for in accordance with Non-Systemically Important Non-Banking financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015, issued by the RBI.

Loan Write off Norms:

All loans which are overdue for more than 180 days and not recoverable in the opinion of management are written off.

2.6 Securitisation transaction

The Company securitises its loans through Special Purpose Vehicles ('SPV'). Loans securitized to the SPV are derecognized once management is satisfied that control over the underlying loans has been transferred.

Post securitization, the Company continues to service the loans transferred to the SPV. The Company provides credit enhancement in the form of cash collaterals to the SPV.

Gain arising on securitization of loans is amortised over the residual maturity of the securitised loans. Loss, if any, is recognised immediately in the statement of profit and loss as per the provisions of 'Revisions to the Guidelines on Securitisation Transactions' vide circular no DNBS. PD. No. 301/3.10.01/2012-13 dated 21 August 2012 issued by the RBI.

2.7 Guarantor commission

Commission paid by the Company to third parties for guarantees issued by them in respect of the Company's borrowings have been amortised over the tenure of the guarantee.

2.8 Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. The cost of fixed assets comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Pursuant to change in the useful life as prescribed under the Schedule II of the Companies Act, 2013, depreciation is provided over the useful life on Written Down Value basis as per the details below, from the date asset is ready to use

Class of asset	Useful life with effect from 1 April 2014	Useful life upto 31 March 2014
Computers	5 Years	6 Years
Office equipments	5 Years	20 Years
Plant and Machinery	5 Years	20 Years
Furniture and Fixtures	10 Years	15 Years
Vehicles	8 Years	5 Years

Further the estimated useful life of fixed assets of the Company given in the table below is different from useful life prescribed in Schedule II of the Companies Act, 2013. Based on the technical evaluation, the Company considers that the useful life for respective assets to be appropriate.

Nature of Fixed Assets	Method of depreciation	Management Estimate of Useful Life in years	Useful life as per the limits prescribed in Schedule II of the Companies Act, 2013 in Years	Useful life upto 31 March 2014
Computers (excluding servers)	Written down value	5	3	6

As a result of change in the estimate of useful life of the asset pursuant to the provisions of Companies Act, 2013, depreciation for the previous year ended 31 March 2015 is higher by Rs. 9,241.

All fixed assets individually costing less than Rs. 5,000 are fully depreciated in the year of purchase.

2.9 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired based on internal/external factors. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs, is less than its carrying amount, the carrying amount is reduced to its recoverable amount.

The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of the depreciable historical cost.

2.10 Foreign currency transactions

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

2.11 Investments

Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of long term investments which is expected to be realized within 12 months after the reporting date is also presented under 'current assets' as "current portion of long term investments" in accordance with the current / non-current classification under Revised Schedule III.

Long term investments are carried at cost less diminution in value which is other than temporary, determined separately for each investment.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis except for investments in the units of mutual funds in the nature of current investments that have been valued at the net asset value declared by the mutual fund in respect of each particular scheme, in accordance with the NBFC directions.

2. Significant accounting policies (Continued)

2.12 Borrowing cost

All borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.13 Operating leases

Leases where the lessor effectively retains substantially all the risks and rewards of ownership over the lease term are classified as operating leases. The total lease rentals in respect of assets take on Operating Lease are charged to the statement of profit and loss on a straight line basis over the lease term.

2.14 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand and cash at bank and short-term investments with an original maturity of three months or less.

2.15 Taxation

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961), deferred tax charge or benefit (reflecting the tax effect of timing differences between accounting income and taxable income for the period).

Current tax

Provision for current tax is recognised based on estimated tax liability computed after adjusting for allowances, disallowances and exemptions in accordance with the tax laws applicable.

Deferred taxation

The deferred tax charge or benefit and the corresponding deferred tax liabilities and assets are recognized using the tax rates that have been enacted or substantially enacted as at the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future, however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of the assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonable/virtually certain (as the case may be) to be realised.

Minimum Alternate Tax ('MAT')

MAT under the provisions of the Income Tax Act, 1961 is recognized as current tax in the statement of profit and loss. The credit available under the Income Tax Act, 1961 in respect of MAT paid is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT can be carried forward for set off against the normal tax liability. MAT credit recognized as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.16 Provisions and contingencies

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Loss contingencies arising from claims, litigations, assessment, fines, penalties etc are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

2.17 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard 20 - Earnings Per Share prescribed by the Companies (Accounts) Rules, 2014. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed by dividing the net profit after tax by weighted average number of equity shares and dilutive potential equity shares outstanding during the year.
